REPORT OF LIBRARY TRUSTEES.

Dr.

1905.		
Oct.	Cash received from treasurer 1904 money,	$ 50 00

Cr.

1905.		
Oct.	W. B. Clarke & Co., books,	$ 50 00

Campton Library now has in readable condition 616 books of history, travel and fiction, both standard and recent.

A larger and more suitable place for the books is greatly needed and it is much to Campton's discredit that the town has not a respectable, clean room for a library and reading room.

The trustees would welcome from any one a list of books or book, and any hints as to the kind of books they wish added to the library.

Respectfully submitted,

GARDINER LITTLE,
LUCY E. COOK, } *Library Trustees.*

REMARKS.

There were twenty-three weeks of school during the past year. If the "literary fund" had been received from the state earlier, there would have been sufficient money for a longer term the past fall.

The Superintendent of Public Instruction urges the school board to place an article in the school warrant to see if Campton shall vote to become a supervisory district, and unite with other towns, and hire an expert superintendent of schools, the state to pay one-half of his salary and the towns the other half, (proportionately.)

The purpose of this is to enable towns to raise the standard and increase the efficiency of their public schools.

About 53 per cent. of the children in the state are now under expert supervision.

It is hoped that the voters of this town will give this matter careful thought, as anything that will further the interests of education is what we should strive for.

In regard to schoolhouse repairs,—the Branch schoolhouse has been shingled; new seats have been put in at No. 11, together with painting the inside of the schoolroom, and minor repairs have been made on other schoolhouses.

This being my last year on the school board, I thank you all for the courteous treatment which I have received.

GEORGE D. PATTEE, *Chairman.*
